Sparkling Wines

Charmat Method

Frizzante Alb

(white, off-dry, Fetească Regală, 12%)

A young, extremely friendly sparkling wine. The bead is delicate and playful (typical of the frizzante style), highlighting the characteristic notes of wild flowers, green apple and white apricot. The residual sugar (off-dry) perfectly wraps the vibrant acidity, giving a sense of roundness and flow.

150 ml glass - 25 RON | 750 ml bottle - 90 RON

Frizzante Rose

(rose, off-dry, 12%)

A vibrant, lively rosé with a fine effervescence that tingles pleasantly on the tongue. The pure expression of the local variety: fresh, with explosive aromas of red garden fruits and a lightness that makes it dangerously drinkable.

150 ml glass - 25 RON | 750 ml bottle - 90 RON

Riserva Brut

(white, brut, 11.5%)

An airy, floral nose prepares the palate for something far more structured than expected. Although the aromas suggest a spring-like lightness, the palate reveals a dense, serious texture, where the vibrant acidity of the Riesling drives the generous body of the Pinot Noir.

150 ml glass - 36 RON | 750 ml bottle - 120 RON

Riserva Rose

(rose, off-dry, Cabernet Sauvignon, 12%)

An explosion of black forest fruits (blackberry, blueberry), layered with notes of rose petal jam and a fine accent of pink pepper.

150 ml glass - 36 RON | 750 ml bottle - 120 RON

Classic Method

Blanc de Blancs

(white sparkling, brut, 12%)

A rich nose dominated by autolysis (toasted bread crust and butter) is spectacularly contradicted by a surprisingly vibrant, mineral palate. Although the aromas promise a dense richness, the acidity typical of this cool region acts as a backbone, turning the warm-pastry notes into a crisp lemon-biscuit sensation.

750 ml bottle - 270 RON

Blanc de Noirs

(white, brut, Pinot Noir, 12%)

Aromas of dried raspberry, wild strawberry and cranberry, wrapped in evolved notes of buttery brioche and a fine hint of marzipan.

750 ml bottle - 270 RON

Rose Brut

(rose, brut, Pinot Noir, 12%)

Notes of rosehip, pomegranate and pink grapefruit, harmoniously combined with aromas of fresh brioche, butter and a discreet hint of vanilla.

750 ml bottle - 270 RON

Sparkling Miniatures

(Asti Method) ~ (white, sweet, 6%)

Cocktails

Rum

Mojito | 200 ml - 55 RON

The king of freshness. The perfect balance between the acidity of lime, the sweetness of sugar and the refreshing aroma of mint, all softened by soda.

Piña Colada | 200 ml - 55 RON

One of the most famous and best-loved tropical cocktails in the world. Declared the national drink of Puerto Rico in 1978, it is the definition of a tropical holiday in a glass: sweet, creamy, refreshing and intensely aromatic.

Gin

Hendrick’s & Tonic | 200 ml - 65 RON

Hendrick’s is a Scottish gin infused with cucumber and rose, which makes it extremely delicate and floral. A clean drink, extremely refreshing and sophisticated.

Tom Collins | 190 ml - 55 RON

Created in the mid-1800s, Tom Collins is essentially a lemonade with gin and acidity. The perfect balance between sweet, sour and the strength of the gin, much lighter than a Gin & Tonic because it lacks the bitterness of quinine from tonic water.

Summer Spritz

Aperol Spritz | 190 ml - 56 RON

Aperol Spritz defined the concept of “aperitivo” worldwide. A vibrant drink with an unmistakable orange colour that instantly evokes sunsets on the Italian coast, made for long, sociable moments.

Hugo | 190 ml - 56 RON

Hugo is a minimalist cocktail with a complex aromatic profile. Dominant notes of elderflower, completed by the freshness of green mint and the fine acidity of sparkling wine.

Tequila

Margarita | 90 ml - 45 RON

The essence of Mexican elegance. Probably the world's most famous tequila-based cocktail: sophisticated, with a sharp, invigorating profile, famous for the salt rim that intensifies the agave aromas.

Paloma | 175 ml - 48 RON

In Mexico, Paloma is the number one cocktail. Much lighter and easier to drink. Its magic comes from the combination of tequila and grapefruit, which brings a fine bitterness and incredible freshness.

Bittersweet

Negroni | 90 ml - 55 RON

Negroni is not a drink for the timid.
The perfect balance in three equal parts: premium gin, Italian bitter and vintage red vermouth. An undisputed classic, defined by sophisticated simplicity and a long, bittersweet-spiced finish. The essence of dolce vita in a crystal glass.

The Bentley | 90 ml - 55 RON

Cognac VSOP, sweet vermouth, Campari. Robust, bittersweet and sophisticated. Created for those who appreciate the complexity of a mature spirit in a classic form.

Vodka

Cosmopolitan | 100 ml - 42 RON

Made famous in the '90s, the “Cosmo” is a modern, sophisticated and visually striking cocktail thanks to its intense pink colour and sweet-sour profile. The ideal balance between fruity and dry.

Vodka Fuzz (Hairy Navel) | 190 ml - 45 RON

An extremely friendly cocktail, perfect for those who don’t want to taste strong alcohol. It tastes like an endless summer.

Whiskey

Old Fashioned | 80 ml - 55 RON

The grandfather of modern cocktails. A minimalist, bold and robust drink. The sugar and bitters are not there to mask the whiskey, but to highlight its notes of vanilla, caramel and wood.

Manhattan | 90 ml - 55 RON

If the Old Fashioned is “country”, the Manhattan is “city”. Sophisticated, urban and velvety. The sweet vermouth brings botanical notes of herbs and fortified wine, turning the whiskey into a far more complex and aromatic experience.

Virgin Cocktails

Blue Lagoon | 280 ml - 46 RON

Blue Curacao, lemon juice, 7UP, sugar syrup, mint and citrus garnish.

Green Apple | 280 ml - 46 RON
